

Klamath Network Technical Advisory Committee Meeting

9/8/04

Ashland Oregon

8:00-8:30 Review 2004 Progress

8:30-9:30 Preview, Revise Draft 2005 Workplan and Funding Allocations

❖ Major FY 2005 Goals

- Continue inventories (vascular plants and vertebrates, 12 basic inventories, other?)
- Enter Phase II (Prioritization of Vital Signs, begin design studies, databases, *hiring*, Phase II Report)
- Integrative Meetings
- Invasive Species Initiative

❖ General Decision Items

- ❖ Talk about more frequent meeting schedule (quarterly?)

9:30 Break

9:45-12:00 Discussion

Discuss ways to more closely integrate...

...I&M into staff workplans

...The Network concept in practice (how do we do it).

...Varied scientific activities of the network
